

Privacy Policy for Snow Panda Extension

****Effective Date:**** January 2, 2025

****Introduction****

The "Snow Panda" extension is designed to improve your browsing experience by optimizing website content, reducing unnecessary distractions, and streamlining navigation. We prioritize user privacy and transparency. This document outlines our commitment to protecting your data and explains how the extension operates.

****Data Collection****

The "Snow Panda" extension does not collect, store, or process any user data. All functionalities are performed locally within your browser, and no information is transmitted to external servers.

****Permissions****

The extension requires certain permissions to function effectively. These include:

- ****Network Request Access:**** To optimize and streamline website content by managing network requests.
- ****Host Permissions:**** To apply the extension's features across supported websites and platforms.

These permissions are strictly limited to the extension's single purpose of enhancing the browsing experience and are not used for any other purpose.

****Data Sharing****

We do not sell, share, or transfer any user data to third parties. Since the extension does not collect

any data, there is no information to share or transfer.

****Third-Party Services****

The "Snow Panda" extension does not integrate with or rely on any third-party services that could access user data.

****Changes to This Policy****

If we make changes to this privacy policy, the updated version will be posted here with the revised effective date. We encourage users to review this policy periodically to stay informed about our practices.
